Attorney's Docket No.: 15578-011002

GeoPhoenix, Inc.
52 Trowbridge Street, # 5
Cambridge, MA 02139

The reasons for which the permission of the Commissioner is sought for withdrawal of the attorney(s)/agent(s) of record is the following:

a) For some time now, we have been unable to obtain clear directions from GeoPhoenix, Inc. (the "Client") regarding our representation of their patent matters. The Firm understands that there may be a control battle or other dispute between principals of the company. Additionally, the Firm has been unable to obtain clear directions from who we believe is the general corporate counsel for the Client. In addition to the lack of clear instructions, the Firm has received conflicting instructions regarding whether the principals have the right to speak for the Client.

b) In addition to the lack of clear directions, the Client has failed to pay the Firm legal fees the Client has incurred in the course of the Firm's representation of the Client. Those fees are well overdue, as has been made clear in previous communications which gave the Client multiple opportunities to cure its failure to pay for legal services rendered. The additional work the Firm will do on the Representation before it terminates the attorney client relationship with the Client, will increase that amount due even further.

Notice of the attorney's request to withdraw is being sent simultaneously to the applicant and the relevant papers and files will immediately be sent the applicant upon approval of the request by the Commissioner.

At least thirty days remain for the applicant to take any action due in this case or an appropriate request for extension of time accompanies this request seeking additional time. The attorney(s)/agent(s) on whose behalf this petition is filed will ensure that the applicant has sufficient time after approval of this request to reply or employ another to reply to any outstanding requirement of the Patent and Trademark Office.

Two copies of this request are filed herewith. The Commissioner is authorized to apply any charges or credits to Deposit Account No. 06-1050.
